Backend

- Node.js
- Express.js
- MongoDB
- MySQL
- Next.js

Tools

- Git
- GitHub

PROFESSIONAL EXPERIENCE

SHOPIFY THEME DEVELOPER — FULL-TIME

Conversions King | Aug 2025 – Present

- Customized Shopify product, collection, and landing-page templates using Liquid, JavaScript, HTML, and CSS across 3+ client stores.
- Built 50+ reusable Shopify Liquid sections across 3+ stores, including 30+ for ProLon Life, using configurable sections, blocks, and schema settings to support flexible storefront content.
- Built 30+ responsive landing pages across desktop, tablet, and mobile breakpoints from Figma/design requirements.
- Standardized responsive layout patterns across client stores using Tailwind CSS and Bootstrap, improving consistency across desktop, tablet, and mobile breakpoints.
- Developed Shopify frontend solutions and theme customizations for ProLon Life, L-Nutra Health, and MoxieLash.

MERN STACK DEVELOPER — INTERNSHIP

Infinity Creatives | May 2025 – July 2025

- Built Staywise, a full-stack booking application using React, Node.js, Express.js, and MongoDB with authentication, CRUD operations, and responsive interfaces.
- Built reusable React components and implemented API-driven frontend functionality using JavaScript, with Git/GitHub for version control.

SELECTED PROJECTS

PROLON LIFE — SHOPIFY DEVELOPER | Conversions King

- Customized product and landing-page templates using **Shopify Liquid sections, blocks, JSON templates, and dynamic content**.
- Built configurable **section schemas and reusable blocks** to allow merchants to manage storefront content through the Shopify theme editor.
- Implemented **Liquid objects, filters, and tags** for dynamic product and collection content.
- Implemented JavaScript interactions and responsive layouts across mobile and desktop storefronts.

L-Nutra Health — Shopify Developer: Shopify storefront development and theme customization.

MoxieLash — Shopify Developer: Shopify storefront development and frontend customization.

EDUCATION

Bachelor of Science in Information Technology — University of Sargodha | 2019–2024 | GPA: 3.29/4.00
